

Monee Red Ribbon Week 2020: October 26th-30th

What is Red Ribbon Week?

Red Ribbon Week is the oldest and largest drug prevention campaign in the country. Through conversation and education, the goal is for students to make a personal commitment to live drug free lives. At the elementary level, we also broaden the focus to include making healthy and safe choices, developing positive coping skills, and resisting peer pressure. These are skills that are taught throughout the school year through our Second Step curriculum and PBIS. During Red Ribbon Week, students will participate in an additional booster lesson during their morning circle time.

For more information, go to www.redribbon.org. We would love to see students participating at home as a family, too! Below are several activities to choose from! Photos can be shared on the Monee PTO Facebook page or emailed to your child's teacher.
