

OPTIONAL DESK SHIELDS

August 23, 2021

Dear Monee Families,

Last week, a couple of families reached out regarding options around additional layers of protection. We have had some inquiries regarding the plastic desks shield which were used during hybrid learning. If you are interested in obtaining a shield for your child to use in school, please return the bottom portion **(IN NEED OF A SHIELD)**.

Please note, teachers will NOT be responsible for cleaning shields. Should you choose to have your child use a shield, they would need to bring the shield home with them each night to be disinfected. An additional shield will not be provided if your child leaves theirs at home. Please remember, all students will continue to be required to wear masks in school and we will continue to practice social distancing.

If you still have plastic shields from last year and you are interested in having your child bring them to school, please return the bottom portion **(ALREADY HAVE A SHIELD)**. Please feel free to contact the office at (708)367-2600 if you have any questions.

Thank you,
