## Douglas County Schools' Online Learning Option

*"A personalized approach to building strong educational foundations..."*

### Flexible Scheduling

*eDCSD counselors and administrators work closely with families to craft class schedules that are responsive to students' needs and strengths.*

### Blended Learning

*eDCSD instruction and courses are combinations of live online (synchronous), in-person, and independent (asynchronous) modes of instruction.*

### K-12 Programming

*eDCSD has elementary, middle, and high school levels. Each level has its own team of teachers, counselors, and instructional and mental health support staff.*

### Course Offerings

*eDCSD offers a variety of exciting courses. These courses include business, animation, programming, world languages, AP, STEM, and many others.*

### DCSD Teachers

*eDCSD teachers are licensed district teachers. 88% of our faculty hold advanced degrees, which include masters, specialists, and doctorates.*
