

Explorers' Club

Before and After School Enterprise (BASE)

Looking for childcare before or after school or during school breaks?

Legacy Point offers a great on-site child care program for children in kindergarten up to 13 years old.

Your kids will enjoy:

- *socializing with and meeting new friends*
- *games, toys and crafts*
- *playing outside and in the gym*
- *field trips during school breaks*

No commitment required. Once you pay the annual registration fee, you can sign up for as many or as few sessions as you would like. So, no matter whether you need care every day, have an occasional meeting to attend, or just have kids looking for fun, Explorers' Club is the place for you.

For more information, see our website on the Legacy Point Elementary web page under "Our School" (sites.google.com/dcsdk12.org/explorersclub) or contact Jaime Berninzoni at jlberninzoni@dcsdk12.org.
