

Base Nurse Coverage

Call phone # 303 921-5660

BASE Nurse Consultant coverage:

Incorporates all of the health services that are rendered to DCSD. Nurses are available to coordinate care with parents, BASE, school personnel and the medical community. This will ensure that the student's health needs are met and to promote optimal health.

The Nurse is available to:

- Identify and assess student health needs
- Be a liaison between home, BASE and the community
- Evaluate/monitor communicable and nuisance diseases
- Provide educator training and delegation
- Provide Resources and Mentoring
- Facilitate ADA concerns.
- Assist with immunization compliance
- Assist staff with their personal health and workers compensation questions
- Attend student pre-enrollment meetings surrounding health related concerns
- Collaborate with Health Services

BASE programs will have a nurse available on call during base program operation, before and after school and during all school breaks.

Base Nurses:

Peggy Brown, Kelly Driver, Mary Evensen, Becky Fuller, Adriana Hatch, Siri Morken, Mary Schmitt.

Call phone # 303 921-5660

When you call the above telephone number, it will forward the call to the nurse on call. Please leave your number, a message, and how to contact you.

This phone does not have caller ID and DOES NOT accept text messages.

If you have a health related question, please call us; we are there for you!!!
