

# Inclement Weather Information

As much as we can all appreciate the weather we were getting it seems as though Mother Nature has decided against the sunshine and clear skies going forward. We all know the difficulties that can come with inclement weather days and bus cancellations which is why we have revised and updated our *Procedure 103- Inclement Weather Bus Cancellations*

Be sure to read through our information to the right and take a look at our website to ensure you have the most up-to-date information & tools regarding inclement weather days.

Prior to School Opening-Extreme Cold

The decision to cancel transportation due to extreme cold temperatures shall be made based on the following conditions:

Temperature is -35 without the windchill or colder and the forecasted temperature is expected to drop within 2 hours (6am-8am local time)

Prior to School Opening-Blizzard/Visibility

2-hour delay may be implemented prior to starting the route to allow time for snow plowing services within the district

If the conditions are not forecasted to improve by 12:00pm local time, the decision will be made to cancel the route for the day.

**\*NEW\***

Buses may now operate in the afternoon

**The decision to operate in the afternoon will be based on the following:**

Forecasted temperature of -35 without the windchill or warmer by 12:00pm local time.

Conditions are forecasted to improve by 12:00pm local time

The decision to operate in the afternoon will be made using the best information available at the time

All decisions to delay and/or cancel routes must be made by 6:00am local time
