

School-Parent Compact
Oak Hill Elementary School
School Year 2018-2019
Revision Date 07/30/2018

Dear Parent/Guardian,

Oak Hill Elementary, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the challenging State academic standards. Please review the attached School-Parent Compact.

Please sign and date below to acknowledge that you have read, received, and agree to this School-Parent Compact. Once signed, please return the form to your child’s teacher and keep the School-Parent Compact as a reminder of your commitment. The School-Parent Compact will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school. We look forward to our school-parent partnership!

Sincerely,

Dr. Brenda Gammons

Principal

School-Parent Compact
Kindergarten
School Year 2018-2019

Revised 07/30/2018

***What is a
School-Parent Compact***

A school-parent compact is a written commitment that parents, students and teachers develop together to help students be successful learners.

Effective Compacts:

- *Link to goals of the school improvement plan.*
- *Focus on student learning.*
- *Share strategies parents can use at home.*
- *Explain how teachers and parents will communicate about student progress*

Activities to Build Partnerships

- *Title I Parent Orientation Meeting*
- *Meet the Teacher/Curriculum Night*
- *Parent/Teacher Conferences*
- *Family Math Homework Help and Strategies Workshop*
- *Technology Drop-In Workshop*
- *Family Literacy Night*
- *Title I Revision/Feedback Meeting*

Jointly Developed

Oak Hill teachers and faculty work together with parents and students to develop our school-parent compact. An annual meeting is held each year to review the compact and make changes based on data, student needs and parent feedback. Parents are welcome to provide feedback at anytime during the school year as well. The compact is posted on the school website year round.

Communications About Student Learning

We understand the importance of two-way communication between teachers and parents. Here are ways that you can expect us to communicate with you.

- *Weekly Wednesday folders with reports on child's progress*
- *Parent/Teacher Conferences*
- *Emails and Phone Calls*
- *Notes in Agendas*
- *Infinite Campus*
- *School Messenger/SchoolWay*
- *OHES website, Facebook, & Twitter*

Parents may observe and/or volunteer in classes during the school year by appointment only. Additionally, Parents may schedule conferences as needed throughout the year.

Kindergarten Goals for Student Achievement

District Goal:

Increased Student Achievement

Oak Hill Elementary School Goals:

Reading: *By the end of the school year, 70% of students in Kindergarten will master through the letter patterns section of the phonics kit for school year 2018-2019. **Focus Area:** phonemic awareness.*

Math: *By the end of the school year, Kindergarten will increase by 32% to practitioner or expert as measured by the exemplar rubric for school year 2018-19. **Focus Area:** problem solving*

Teachers, Students, and Parents—Together for Success

Teachers/Schools

- Offer a Family Math Homework Help Workshop that provides strategies that focus on number sense and problem solving that parents can use at home.*
- Provide a Parent Resource Area with guided reading kits that include a list of questions and vocabulary that addresses specific reading concepts for K-5.*
- Provide students in kindergarten opportunities to practice number sense strategies using Istation Math.*
- Offer a Family Technology Drop-In workshop to provide parents with training on the Parent Portal of Istation Reading for practice and remediation in phonemic awareness and comprehension and on Istation Math to practice number sense strategies.*

Families

- Attend Family Math Homework Help Workshop for strategies focusing on number sense and problem solving.*
- Check out and use Guided Reading kits in the Parent Resource Area to address specific fundamental reading concepts.*
- Attend Family Technology Drop-In Workshop for training with Istation Reading and Math.*
- Use the parent portal and actively monitor the use of Istation Reading to provide practice for my child in phonemic awareness and comprehension.*
- Use the Istation Math program with my child to practice number sense skills.*

Student

- Share information with parents about all Family Engagement Workshops.*
- Use Guided Reading Kit materials from the Parent Resource Area at home to answer questions using vocabulary skill practice that addresses fundamental reading skills.*
- Use Istation at home for practice in phonemic awareness and comprehension.*
- Use Istation Math at home to practice number sense skills.*

Grade 1 Goals for Student Achievement

District Goal:

Increased Student Achievement

Oak Hill Elementary School Goals:

Reading: *By the end of the school year 2018-19, at least 70% of 1st grade students will increase a minimum of one level as measured by Next Steps Guided Reading Running Records. Focus Area: Comprehension.*

Math: *By the end of the school year 2018-19, students in 1st grade will increase their mastery of addition fact fluency by a minimum of 25% as measured by Moby Max. Focus Area: Fact Fluency.*

Teachers, Students, and Parents—Together for Success

Teachers/Schools

Offer a Family Math Homework Help Workshop that provides strategies that focus on number sense, fact fluency and problem solving that parents can use at home.

-Provide a Parent Resource Area with guided reading kits that include a list of questions and vocabulary that addresses specific reading concepts for K-5.

-Provide students in 1st grade opportunities to practice number sense strategies using IStation Math.

-Offer a Family Technology Drop-In workshop to provide parents with training on the Parent Portal of IStation Reading for practice and remediation in phonemic awareness and comprehension, IStation Math to practice number sense strategies and Moby Max to practice fact fluency.

Families

-Attend Family Math Homework Help Workshop for strategies focusing on number sense and problem solving.

-Check out and use Guided Reading kits in the Parent Resource Area to address specific fundamental reading concepts.

-Attend Family Technology Drop-In Workshop for training with IStation Reading and Math.

-Use the parent portal and actively monitor the use of IStation Reading to provide practice for my child in fluency and comprehension.

-Use the IStation Math and Moby Max programs with my child to practice number sense skills and fact fluency.

Student

-Share information with parents about all Family Engagement Workshops.

-Use Guided Reading Kit materials from the Parent Resource Area at home to answer questions using vocabulary skill practice that addresses fundamental reading skills.

-Use IStation at home for practice in fluency and comprehension.

-Use IStation Math at home to practice number sense skills.
