Good Afternoon Covert Families,

Over the weekend, we received notification from the Van Buren/Cass District Health Department that someone associated with our school district – one staff member from Covert Public Schools– has tested positive for COVID-19. While we must protect the privacy of the individuals involved, we believe it is best to communicate transparently. We would like to assure you that this staff member has NOT been working with students since December 17th. There is no need at this time to quarantine students or staff members. We will continue with our regular daily schedule.

Our greatest priority is the safety of our students, staff, and community members. Please continue to take necessary precautions to protect yourself and those around you. It is important to remember that children are greatly influenced by the reactions of adults when facing difficult circumstances. I encourage everyone to remain calm and to be empathetic and respectful to those affected.

Buenas tardes familias de Covert,

Durante el fin de semana, recibimos una notificación del Departamento de Salud del Distrito de Van Buren / Cass. que alguien asociado con nuestro distrito escolar, un miembro del personal de las Escuelas Públicas Covert, ha dado positivo por COVID-19. Si bien debemos proteger la privacidad de las personas involucradas, creemos que es mejor comunicarse de manera transparente. Nos gustaría asegurarles que este miembro del personal NO ha estado trabajando con estudiantes desde el 17 de diciembre. No es necesario en este momento poner en cuarentena a los estudiantes o otros miembros del personal. Continuaremos con nuestro horario diario habitual.

Nuestra mayor prioridad es la seguridad de nuestros estudiantes, personal y miembros de la comunidad. Por favor continúe tomando las precauciones necesarias para protegerse y proteger a quienes lo rodean.
