Requirements for Graduation

Students must complete all required credits by the Monday before Graduation (June 14th) and must participate in the Graduation Rehearsal to be able to take part in the graduation ceremony. There are no exceptions to this district policy. Seniors who complete work after the deadline may attend the district-wide summer graduation ceremony in July.

Please contact your Dean if you have any questions or concerns about the above events or your graduation status. In addition, many of these events are costly, though memorable. If you need financial assistance to participate in any event, please see your Dean.

Sincerely,
