# FREE TUTORING SESSIONS WITH PAPER EDUCATION COMPANY

Open for all subjects! You don't want to miss this!

[VISIT THE DISTRICT WEBSITE FOR MORE INFORMATION](#)

The School District of Palm Beach County has entered into an agreement with Paper Education Company, Inc. that will provide unlimited access to Paper's online tutors who are available on-demand, 24/7 year-round to help students in grades 6-12, across 200+ subject areas. The tutoring services are offered in English, Spanish, French, and Mandarin.

Students can use Paper to prepare for upcoming tests, get tips on how to grasp concepts, and even get help with elective subjects. When students are faced with an academic hurdle, the tutors will offer guidance and help them better understand where or why they're stuck.

Students log in through their portal (Clever) to access Live Help and type in their problem, draw it out on the whiteboard, or upload a file from any device. Paper also keeps teachers in the loop, with full visibility into each student's session.
