School Naming Process

- Naming Committee is formed
  - shall consist of a minimum of three (3) lay people who live in the area in which the site is located, two (2) students who attend or are likely to attend the school, two (2) staff members as designated by the Superintendent or designee, and one (1) member of the Historical Society of Palm Beach County.
- The committee shall propose three (3) school names to be presented to the School Board, who will make the final choice.
- The committee is encouraged in the naming of schools to use historical figures, the history, general location or features of the area, or goals of the school. Names of existing schools or combinations thereof shall not be used except in those cases where existing schools are being discontinued as public schools.
- Schools may be named to recognize contributions to the School District by persons, living or deceased. The names of persons actively serving Palm Beach County School District as a Board member or employee at the time of naming shall not be used.
- A brief narrative explaining the naming of the school should be exhibited in a prominent place within the school.
