Franklin County School Board Announces Superintendent Search

(January 24, 2023)—The Franklin County School Board announced today that it will begin the process of hiring a new superintendent by seeking public input on qualifications.

The school board has created a survey related to superintendent criteria, which is available at <https://www.surveymonkey.com/r/FranklinCountySurvey>, and on the home page of the division website. **The survey will end on Monday, February 6, 2023.** Hard copies of the survey will also be available at each school, and at the school board office.

In addition to the survey, the board will hold a public hearing:

Date: Tuesday, February 7, 2023

Time: 6:00 pm

Location: Franklin County School Board Office (lower level)

“Hiring a new superintendent is the biggest task a school board will face and we want to make sure that the public has a voice in this process,” said School Board Chair Jeff Worley, “We hope that parents, staff and residents will take time to fill out the survey or attend the public hearing.”

The school board selected the Virginia School Boards Association (VSBA) to assist the board with the superintendent search.
