21st Century Community Learning Centers

21st CCLC is a FREE afterschool and summer program that we are requesting for your child's school. The program will be funded for FOUR years if awarded, which will be great for the school and community (and hundreds of students). The state requires us to better understand the needs of parents and students when requesting the funding. Please provide your Feedback on the questions below. Your answers are completely anonymous, so no one can connect your answers to you or your children.
