

Covid symptoms/Covid positive Protocols

- *Parents are asked to keep symptomatic students at home. Please contact the nurse's office with any questions. 812-384-2402 rmcintosh@bsd.k12.in.us*
- *Students that test positive for Covid will be required to quarantine for 5 days from the onset of symptoms or from the date of the test if asymptomatic. If fever free and symptoms have improved, the student may return to school on day 6 without restrictions.*
- We are not currently doing any contact tracing. Siblings of covid positive students may attend school IF THEY DO NOT HAVE ANY SYMPTOMS.
- If you have a known exposure to covid and develop symptoms, testing is recommended.
- Please contact the nurse if a student tests positive.

Thank you for doing your part to keep our students safe and healthy!
