## EXECUTIVE SUMMARY

June 28, 2022

**TO:** School Board Members

**THROUGH:** Michael J. Burke, Superintendent

**FROM:** Edward C. Tierney, Deputy Superintendent/Chief of Schools  
Glenda Sheffield, Ed.D., Chief Academic Officer  
Adam Miller, Ph.D., Assistant Superintendent, Performance Accountability

**SUBJECT: RESULTS OF FY22 FLORIDA STANDARDS ASSESSMENTS (FSA) AND END-OF-COURSE (EOC) ASSESSMENTS FOR ALGEBRA 1 AND GEOMETRY**

The Florida Department of Education (FDOE) has released the FY22 results of the Florida Standards Assessments (FSA) for English Language Arts (ELA) and Mathematics and End-Of-Course (EOC) assessments for Algebra 1 and Geometry.<sup>1</sup> The State did not release the results of the State Science Assessment, Biology, Civics, or US History EOCs. Both FSA and EOC assessments are considered high school graduation requirements; students must score a Level 3 or above on both Grade 10 FSA ELA and the Algebra 1 EOC to earn a Standard Diploma. However, students have several opportunities to meet these requirements through retake or concordant test administrations.

The summary data tables contained herein provide performance data for FY19 (pre-pandemic), FY21, and FY22 (released today). Statewide, scores in all subject areas reported today remain lower than the FY19 pre-pandemic performance. However relative to FY21, this year's scores show that performance has improved particularly in Mathematics, Algebra 1, and Geometry. Other findings concerning District students' performance relative to students statewide and in the other large districts include:

- In FY22, the District met or exceeded State performance on each of the following assessments:
  - English Language Arts (ELA) for all grade levels
  - Mathematics Grades 3, 6, and 8 as well as Algebra 1 and Geometry
- In FY21, when compared with the seven largest districts in Florida<sup>2</sup>, the District had the highest performance or tied for the highest performance for the following assessments:
  - ELA Grades 4 (tie), 9, and 10
  - Mathematics Grade 8

---

<sup>1</sup> This summary is based on all students tested, not on the group of students used in the calculation of school grades. The FDOE previously released the results for Grade 3 FSA ELA, and those results are included in this analysis.

<sup>2</sup> Largest Florida public school districts with student enrollment exceeding 100,000 students.

June 28, 2022

**EXECUTIVE SUMMARY: RESULTS OF FY22 FLORIDA STANDARDS ASSESSMENTS (FSA) AND END-OF-COURSE (EOC) ASSESSMENTS FOR ALGEBRA 1 AND GEOMETRY**

In April, May, and June of 2022, the following number of District students took the FSA and EOC tests:

**Table 1: FY21 Number of Students Tested in Different Assessments**

Assessment	Grade Levels	Number of Students Tested
FSA ELA	3–10	111,906
FSA Mathematics	3–8	75,922
FSA Algebra 1 EOC	7–12	14,096
FSA Geometry EOC	8–12	12,438

Tables 2 through 9 report the percentage of students scoring Level 3 or higher in FSA ELA, Mathematics, and the FSA EOC Algebra 1, and Geometry for the District, Florida, and the seven largest districts in Florida. For prior year results and more, please visit the Department of Research and Evaluation website at: <https://www2.palmbeachschools.org/dre/results/>.

**Table 2: FSA ELA – Percentages of Students Scoring Level 3 or Higher for the District and Florida**

\* In FY21, District continued to have Grade 7 students who enrolled in Advanced Mathematics and who participated in the Grade 8 FSA Mathematics assessment, which matched the standards that were instructed. As such the tested population on the Grade 7 and 8 FSA Mathematics in District differs from other districts.

Schools have received their results and will use this information to meet individual student needs and for school improvement. District and regional staff will use the results to provide direction for improvement in curriculum and instruction. Additional analysis will be completed in the coming days.

An additional Executive Summary is forthcoming upon the release of the State Science Assessment, Biology, Civics, and U.S. History EOCs.

If you have questions about the FSA and EOC results, please contact Adam Miller, Assistant Superintendent, Performance Accountability, at 561-434-8851. If you have questions about instructional programs, please contact Edward Tierney, Deputy Superintendent/Chief of Schools, at 561-649-6805. If you have questions about individual school efforts and the FSA and EOC tests, please contact the appropriate Regional/Instructional Superintendent.
