2. Bids must be submitted on the bid forms provided by the School Board. Vendors shall bid on all items.
3. All information that is requested by the Letter of Transmittal, Invitation to Bid, General Bid Conditions, Specifications and Bid Forms must be included to constitute a valid bid.
4. In submitting a bid, the bidder acknowledges that he is fully informed as to the extent and character of the required materials, supplies, services and equipment and further represents that he can furnish the materials, supplies, services and equipment in complete compliance with the specifications.
5. Any deviations from the specifications must be set forth on the bid document.
6. Prices and information required should be typewritten for legibility. Illegible or vague bids may be rejected. Signature of person submitting bid must be in longhand.
7. Sales to school boards are not affected by any fair trade agreements.
8. The School Board is exempt from Federal, State and excise taxes. The price bid shall be net and not include the amount of any such tax. Tax exemption certificates, if required, will be provided by the School Board.
9. The contractor shall pay all sales, consumer, use and other similar taxes for the work or portions thereof provided by the contractor which are legally enacted at the time bids are received, whether or not yet effective.
10. Unless otherwise provided in the bid document, the name of a certain brand, make, manufacturer, or definite specification is to denote the quality or standard of the article desired, but does not restrict bidders to the specific brand, make, manufacturer, or specification named. It is to set forth and convey to potential bidders the general style, type, character, and quality of article desired. The decision of the School Board shall be final and binding on the parties as to whether an item other than that specified is in fact "equal." In bidding on items other than those specified, bidder must give the trade designation of the article, manufacturer's name and detailed specification of the item. Otherwise, the bid will be construed as submitted on the identical item as specified.
11. Bids on equipment must be standard new equipment, of latest model, and in current production, unless otherwise specified or noted on the bid form.
12. All regularly manufactured stock electrical items must meet the following minimum requirements:
 - a. National Electrical Code

 17. Under penalty of perjury, the bidder expressly warrants that the pricing and information submitted herein is not the result of an agreement, expressed or implied, with any other bidder or bidders in an attempt to influence or restrict competition by the bidder, bidder's suppliers or employees of the company.
 18. Bid must be:
 - a. Sealed and submitted in plain envelope, or in one furnished by the School Board,
 - b. Addressed to:
Suffolk Public Schools
Purchasing Manager

Redmon, Purchasing Manager, 100 N. Main Street, 2nd Floor, Suffolk VA, 23434, or as directed in the Invitation to Bid, no later than three (3) days prior to the date fixed for the opening of bids. Notice of any and all interpretations and any supplemental instructions will be sent to all bidders of record by the School Board in the form of addenda. All addenda so issued shall become a part of the bid document.
 20. Withdrawal of Bids:
 - a. A bidder may withdraw his bid from consideration if the price was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgement mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quality of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. In order to request the withdrawal of a bid, the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice. A bid may be withdrawn as described herein upon the approval of the Purchasing Agent of Suffolk City Public Schools.
 - b. No bid may be withdrawn under this section when the result would be awarding of the contract on another bid the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.
 - c. If a bid is withdrawn under the authority of this section, the lowest remaining bid shall be deemed to be the low bid.

- d. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.
- e. If the public body denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.

II. SAMPLES

1. All specifications are minimum standards. Accepted bid samples do not supersede specification of quality unless bid sample is superior in which case deliveries must be the same quantity and quality as accepted bid sample.
2. The School Board reserves the right to request a sample of the items bid prior to the award or before shipments are made. If sample fails to meet specifications, the bid will be disqualified.
3. If samples are requested subsequent to bid opening, they shall be delivered upon request at the discretion of the School Board or as directed, for bid to have consideration. Samples must be furnished at no expense to the School Board and must be accompanied by descriptive memorandum invoices indicating if the bidder desires their return provided they have not been used or made useless by tests. Award samples will be held for comparison with deliveries. The School Board will not be responsible for any samples destroyed or mutilated by examination or testing. Vendor will be advised of sample pick up. Samples not removed within ten (10) days after written notice to the bidder will be regarded as abandoned and the School Board shall have the right to dispose of them as its own property, and the bidder shall not hold the School Board liable for any sample disposed of by the School Board.
4. If specifications state that an item to be bid must equal a sample on display, the sample will be made available to all bidders by School Board. Failure of bidder to examine such a sample shall not relieve him from meeting the requirements set forth by the sample.

III. BID AWARD

1. The School Board will notify the successful bidder(s) in the form of a Purchase Order or Notice of Award and will post the Bid Award on Suffolk Public Schools Bid Board located on the Second Floor in the School Administration Office at 100 N. Main Street, Suffolk, Virginia 23434.

7. In accordance with the Code of Virginia, Section 11-53, [in the case of insufficient funds] the School Board reserves the right to negotiate with the lowest responsible bidder.
8. In submitting a bid, the bidder obligates his company to furnish items and services at the bid price and that written notice from the School Board accepting the bid constitutes a contract between the bidder and the School Board. The School Board reserves the right to adjust original quantities. In addition the School Board reserves the right to purchase additional quantities with no increase in price.
9. A notice of award or purchase order to successful bidder, to the address given in the bid, will be considered sufficient notice of acceptance of the contract.
10. If the successful bidder fails to deliver within the time specified, or within reasonable time as interpreted by the School Board, or fails to make replacement of rejected articles, when so requested, immediately or as directed by the School Board, the School Board may purchase from other sources to take the place of the item rejected or not delivered. The School Board reserves the right to authorize immediate purchase from other sources against rejections on any contract when necessary. On such purchases, the successful bidder is responsible to the School Board for any excess costs. Should the cost be less, the successful bidder shall have no claim to the difference. Such purchases will be deducted from contract amount.
11. A contract may be canceled at the successful bidder's expense upon non – performance of contract.
12. Cancellation of contract for any reason may result in removal of the successful bidder's name from bid list for future bidding.
13. When materials, equipment or supplies are rejected, the successful bidder must remove them from the premises of the School Board within ten (10) days of notification. Rejected items left longer than ten (10) days will be regarded as abandoned, and the School Board shall have the right to dispose of them as its own property, and the successful bidder shall not hold the School Board liable for any rejected goods disposed of by the School Board.

Failure of this notification may be justification for removal of vendor from the bid list. Failure to install within a reasonable time will be cause for open market purchase at the expense of the successful bidder.
