**Subject: Addendum #1,  
Request for Proposal – Division wide Drink Vending contract**

### QUESTIONS AND ANSWERS:

Question: Is there a pre-bid conference?

Answer: No

Question: Who is the current provider?

Answer: Cardinal Canteen, in conjunction with the City of Suffolk

Question: What is the current commission?

Answer: 18 percent

Question: What are the yearly sales for the account as a whole?

Answer: About 1300 cases

Question: Do you have a list of equipment by school or just a number of machines?

Answer: I do not have a list of equipment. We have one drink machine per school, but want to expand this contract to include more machines and more opportunities at events.

### CLARIFICATION:

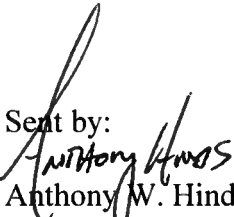

We have received a question concerning number of rooms and dates. This is a division-wide drink contract solicitation. We do not need hotel rooms.

If the proposer has already submitted their RFP response, the addendum may be signed at a later date.
