Lorri A. Banks
Principal

Jill Paraska
Assistant Principal

Dear Families,

I want to officially welcome all of you to the 2020-2021 School Year! This is an opening like no other, but it is one we will embrace with thought, consideration of families, and what is best for students. I would like to welcome all of our families who are new to Kilby Shores. We would like you to know we are a collaborative and driven group of educators who are focused on delivering quality instruction. I am honored to be the principal of Kilby Shores. I am truly committed to doing what is best for all who are a part of our family. At Kilby Shores you will find that all of our staff members work hand in hand with you and your child.

We are excited about the opportunity to reconnect or get to know all of you this year and engage in the educational process together. Although instruction will be delivered virtually to start the year off, we will engage your child in a manner that embeds the 5 Cs (critical thinking, creative thinking, communication, collaboration, & citizenship.) We believe in the importance of partnerships. True success takes all of us; the school, the parent/guardian, the student, and the community. Positive communication among all stakeholders is essential in fostering student success. We also believe that building strong relationships between home and school is a key factor in increasing student achievement. As the building administrators, we strongly encourage parental involvement and we welcome your collaboration and input. Mrs. Paraska and I are available to assist in any way.

We look forward to working with you and your child. Please do not hesitate to contact us.

Lorri Banks, Principal

Jill Paraska, Assistant Principal
