

The PTA helps make Northern Shores a better school in two ways:

1. **We raise money.** By holding fundraisers such as restaurant nights and selling spirit wear we are able to do fun things like the spring carnival during Field Day and supporting teacher grants. We work directly with Northern Shores staff to ensure our students have resources and materials they need to thrive.
2. **We show up in more ways than one.** Yes, PTA is the main source of volunteers for our school but your membership helps us have a voice on a national level. You don't need to physically volunteer to be a part of the PTA. Anyone anywhere can join so make sure you let family and friends know! The more members NSES PTA has, the more our voices are heard!

Sign up ONLINE at northernshorespta.memberhub.store

or complete this form and return to school with your child.

There is a 3.5% + \$0.50 processing fee for online registration.

If you choose to complete the form and send in a check, please note there is a \$15 returned check fee for any returned items.
