Northern Shores Elementary School will administer the Virginia Standards of Learning (SOL) Spring Non-Writing assessments in May and June to students currently enrolled in SOL courses in accordance with the Virginia Department of Education assessment program.

All Virginia Standards of Learning testing must be in-person and will occur on your student's assigned school days. For students on an "A" schedule, testing will occur on Mondays and Wednesdays. For students on a "B" schedule, testing will occur on Tuesdays and Thursdays.

You will receive multiple reminder phone and email notifications prior to your child's testing dates. The SOL testing schedule will be posted on the school's website and is included on the reverse of this letter. Teachers will review test-taking strategies and how to access the test with their students before the test date. The official SOL student report will be distributed with the final report card.

If you have any questions or concerns about the upcoming testing, please contact Maria Eiring, School Testing Coordinator, at 757-923-4169.

Sincerely,
Maria Eiring
School Testing Coordinator
