Greater Nanticoke Area School District Announces  
Registration for Kindergarten

The Greater Nanticoke Area School District has begun to conduct Kindergarten registration for the 2022-2023 school term. **If you haven't already registered your child, please do so immediately, so we can ensure your child has all of the proper documentation, arrange for any potential orientations and screenings, and to ensure you child is able to start on time.** The following documents are required:

- Birth Certificate
- Vaccination records (these may be faxed to the district office at 570-740-2757)
- 2 Proofs of Residency
- Any legal documents (custody agreements, foster records, protection from abuse orders, etc.)
- Parent/Guardian Picture ID

Parents who currently have children enrolled in the district must use the Skyward portal on the district web page ([www.gnasd.com](http://www.gnasd.com)). Once you log into your Skyward Family Access, you will select the tab "New Student Online Enrollment". Complete all steps and upload all required documents.

Parents who do not have children enrolled in the district and are registering their child for the first time must go to the district web page ([www.gnasd.com](http://www.gnasd.com)) and select the tab for "New Student Online Enrollment" – 2022-2023 Registration. Once you complete a request for an account, you will receive an email with your account information. You may then refer to the steps above and proceed through the district Skyward Family Access portal to complete your registration.

In order to be eligible for Kindergarten for the 2022-2023 school term, a child must be five (5) years old on or before September 1, 2022.

Registration for NEW students attending first grade will also be accepted at this time. In order to be eligible for first grade in the fall, a child must be six (6) years of age on or before September 1, 2022. Parents must provide the same information listed above for registration. **If your child is currently registered with the district, you do not need to reregister for first grade.**

Email Mrs. Nancy Butzek, Registrar at [butzekn@gnasd.com](mailto:butzekn@gnasd.com) for any further information.
