

NORTH HILL NEWSLETTER

Welcome to the North Hill Newsletter, your source for North Hill connections.

AUGUST OVERVIEW

For August's Monthly Gathering, we spent some time getting to know each other! We've added language lessons to each Monthly Gathering and in August, we learned some Arabic! Join us next month to learn greetings and beginner words in different languages!

We took it easy in August. We realize that the summer has been very busy and we wanted to give our community an opportunity to get together, share a meal and relax! We played some games and some of us learned how to play the Carrom Board!

Sometimes, we just need a space to gather and spend time with our community! We were glad to share that time with you in August! Check out our September plans!

We hope to see you at our next gathering so you can connect with your neighbors too!

Next gathering is September 11th at 6PM.

CONNECT WITH NEIGHBORS AT OUR NEXT GATHERING!

Our September gathering will be at the Exchange House, 760 Elma Street on **September 11th, 6PM-8PM.**

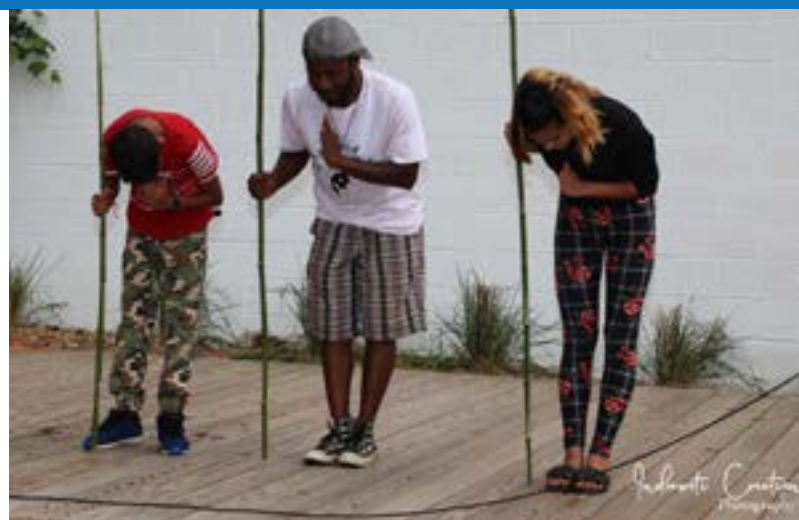

Have you checked out the exhibition "Photo Your Voice" here at the Exchange House? As many of you may know, the teens in our community take on a lot of responsibility in their families and communities, including helping navigate the health system. The "Photo Your Voice" exhibition explores this subject.

Created by graduates of Malone University, this exhibition was created to "explore the personal experiences of teenagers within the Bhutanese and Burmese communities in Northeast Ohio who serve as language brokers in healthcare settings for their non-English speaking family members and neighbors."

This Monthly Gathering, we will be joined by Dr. Rosanna Hess and a few of the teens who helped make the exhibition possible!

There will be a potluck style dinner! Bring a food dish, side, or dessert and we will eat together as a community!

Stay Active/Stay Involved
