

# Jaywalking

Jaywalking is when a pedestrian passes through a roadway with traffic, in a place other than a designated crosswalk.

Jaywalking can be an infraction or misdemeanor!

Police enforce jaywalking laws by issuing citations!

You can be fined for jaywalking!

Jaywalking is extremely dangerous and increases the risk of an accident!

It is very important to use a crosswalk when crossing the street.

It not only is important for your safety, but also the passengers in the vehicles on the road.

Remember to always be safe!
