

Dear Parent/Guardian,

In partnership with Akron Children's Hospital School Health Services, it is our pleasure to offer on-site flu vaccinations at your student's school **the week of November 15th – November 19th**. Flu clinics will be offered at **each school location during school hours one of the days that week - please see the daily schedule on back**. Each day the team will start at the first school listed and continue through the schools till the end of the day. If unable to complete all flu vaccines the team will start at that school first the next day. APS online students may obtain their flu vaccine at their home school. Health Heroes flu vaccination clinics are completely voluntary and are offered to ALL consented students, regardless of their insurance coverage.

Why get a flu vaccine?

The best way to minimize or avoid the spread of flu is to get an annual flu vaccination. Each year the vaccine protects against new strains, therefore, the vaccine should be administered annually.

Who is Health Heroes, Inc.?

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided as a **NO-OUT-OF-POCKET** expense to students. We bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. **Qualifying uninsured students can be given the vaccine, free of charge.** Although student participation is voluntary, these vaccinations are recommended to help keep schools healthy and cut down on high absenteeism.

What type vaccines will be given?

IIV-4 injections will be available to all consented children who do not have any contra-indicators. All vaccines given are preservative-free, mercury-free, Thimerosal-free and administered by state-licensed nurses.

What do you need to do to participate?

If you wish for your child to participate, please **COMPLETELY** fill out the consent form, Including **ALL insurance information** (you must have the member ID numbers filled in) and sign the form. If there is no insurance, please mark appropriate box on the form. **These forms need to be returned to your child's school by Thursday Nov. 11th to secure a dose for your child.**

If you have additional questions or concerns, please contact the Health Heroes at 330-573-6864 or 1-205-609-0268/OH@healthherousa.com. For further information you can also visit our website at www.healthherousa.com. We hope to see your child in clinic!

Warmest regards,
Brooke Harris, LPN
