

Holiday Video Recording Session

Jennings Vocal/Choral/General Music Holiday Presentation 2021

Happy Holidays Everyone!!!! This year has been “REAL” with change and adjustment for all. Helping students to recall and revisit basic skills has been a priority as well as working to instill self confidence and determination. I am proud of our students. Each student brings a personal gift to our music department.

The Vocal and 7th grade General Music students will record their holiday performance via video presentation Tuesday 12/14 and Wednesday 12/15, 2021, periods 1,2 and 3. The video session will take place in our redesigned LRC, under the video scope of Dr. G. Farmakidis. Please

know that your support is appreciated. A list of students has been attached. Please mark your records. Our students are excited and well. Please look for the final video link on Friday 12/17/21. You will be able to show the concert presentation to all JCLC students at a time of you deem possible. Thank you again, for your support. Music is a great way to teach

expression, teamwork, confidence and social skills. We hope to see you next week.
