

Akron Public Schools

Sylvester Small Administration Building

January 9, 2020

Dear Parent:

Akron Public Schools is eligible to receive funding under provisions of "*Impact Aid*". The "*Impact Aid*" law provides financial support to school districts that have pupils enrolled who are federally associated. Federally associated pupils include those who have a parent/guardian either employed on eligible federal property or on active duty in the Uniformed Services.

Employees who work for the U. S. Government must also work on federal property to be included in this request for funding.

The Survey Form is printed on the reverse side of this letter. If you feel your employment qualifies the student as federally associated or if the parent/guardian is in the Uniformed Services, please complete the information for each child enrolled in Akron Public Schools.

Please return the form to your school's office BY Friday, January 24, 2020.

Your cooperation in this project will assist Akron Public Schools in improving education for all children. Call the Office of Central Registration/Open Enrollment with your questions.

Visit the Impact Aid website at <http://www.ed.gov/programs/8003/legislation.html> for further information about the program.

Sincerely,

Marianne Malecky
