I have tons of pencils in my classroom, we use pencils communally to avoid conflicts. I will not be needing any pencils this school year. Please **do not** send your student with fun pencils

*** I have fidgets in my classroom, but students may bring in 1 quiet fidget. That being said, students give fidgets away, and stealing is common in NOW classrooms. I cannot promise the fidget will come home with your student***

If you would like to donate anything to the classroom, we always appreciate crafting materials, picture books, and fidgets :)
