

Reminders for the Week of May 4, 2020.

Hello, Families of Betty Jane CLC!

1. Interim Reports were printed and mailed out on Friday. Please look for your child's interim report to arrive in the mail sometime next week. Interim grades can also be viewed by logging into Home Access Center.
2. Student participation in online lessons through Google Classroom and i-Ready is how we take attendance this final marking period. Please make sure that your child is logging on regularly throughout the week to complete assignments.
3. I have had some inquiries regarding the pickup of personal items from the building. At this time the building is closed. I am arranging two more pick up days for students who did not attend the previous pick up days to gather their personal items. I will have this information as soon as restrictions are lifted and guidelines are available.
4. The Betty Jane staff is doing a drive through the neighborhood beginning Monday at noon. We want our students to know how much we love and miss them. We also hope to just see their faces!
5. The Cleveland Browns are also rooting on our APS students for their regular school participation. They are encouraging students to stay in the game. You can check them out at get2school.org. They share a lot of positive messages and are highlighting students for their efforts during this time!

We want to remind our students that Google Classroom is similar to your real classroom, and your teachers are available to help you along the way. [#Get2School](#) and [#StayintheGame](#), APS students, we're counting on you! <https://sites.google.com/apslearns.org/connectedstudent/announcements-home-page>
