

Summer Science

with the

Akron Zoo

This exciting evening at the Akron Zoo will allow you to engage with your child about science through fun, hands-on activities throughout the zoo. You'll also receive a packet with ideas of how to continue that engagement throughout the summer.

Event Info

- **When:** June 21 from 6-8pm
- **Who:** Any APS student who just completed 3rd, 4th, or 5th grade
- **What:**
 - Free zoo attendance for each child and 3 family members
 - Activities and Parent Guide throughout the zoo based on your child's grade level
 - Take Home Summer Science Engagement Piece for families

[Click Here to Register by June 14!](#)

*Event will have a cap of 450 students. For more information, call 330-375-2550 or email education@akronzoo.org
