

## SUPPLY LIST FOR MRS. FLANDERS 225

Book bag

Pencil box or pencil pouch

Pencils (I suggest Ticonderoga. You will buy less in the long run.)

Crayons, colored pencils, or markers (You don't need all.)

Hand held pencil sharpener

Glue sticks

Dry erase markers that make a skinny line (will need replaced throughout the year)

Small sock or dry erase eraser

1 folder with the brads in the center --- I suggest plastic, as the others tear easily being brought out repeatedly from their desk.

Headphones

Scissors

Optional supplies: These make their lives easier!

Mouse

Supplies I would forever be grateful for donations of:

Kleenex

Lysol wipes

Baby wipes

Ziploc type bags of all sizes

I suggest writing initials on writing utensils toward the end they don't grip. This way when they fall off a desk, they can be returned.
