

CHROMEBOOK FINE STRUCTURE

1. The District goal is to provide every student a device for extended learning.
2. Staff will be actively involved with students and their parents/guardians to develop a plan to meet that goal whenever possible, as well as protect the District’s limited resources.
3. Fines assessed are based on the purchase price or the cost of repair.

7540A - STAFF AND STUDENT TRAINING REGARDING THE INTERNET, Part B:

“Staff members need to have back-up plans or contingency procedures in place for times when the Internet may not be accessible. Since the Internet is primarily a data-gathering mechanism, alternative sources for needed data should be available so that students can accomplish the purpose of the instruction within the established class period.”
