

June 4, 2021

Dear Parents,

I am very pleased to have the opportunity to work with your child. Listed below is a list of supplies that will help your child to complete daily work, to develop organizational skills, and to finish out the school year.

- **District approved facemask**
- **#2 Pencils only - 4 sharpened pencils**
- **Box of 24 crayons**
- **Dry Erase Board**
- **Dry Erase Marker - I've got one for them**
- **Dry Erase Eraser or a clean, old sock**
- **colored pencils - please no markers**
- **Small plastic pencil box to hold art supplies and pencils**
- **Scissors**
- **2 Glue sticks any size**
- **1 box Tissues and then another in January**
- **Larger ziplock baggies - Boys/small ziplock baggies-girls**
- **OPTIONAL - mouse**
- **headphones**

Please write your child's name on all supplies. Place all school supplies in the small plastic box. Desk space is limited so do not invest in a Trapper. Please encourage your child to bring their backpack to school each day so that material can be carried between home and school successfully. Please do not invest in the individual hand held pencil sharpeners. I will sharpen pencils once a week.

Your Partner in Education,

Mrs. Greene
