

THE EAGLE'S NEST

Message From the Principal

Dear Robinson Family,

The cold weather cannot stop the students, staff, and parents from warming things up inside Robinson CLC! Everyone is working hard! Thank you for working with your children on making sure they are putting forth their best effort on their schoolwork and contacting us for needed additional support. We will not let the cold weather and days off stop the student success that we at Robinson strive to obtain.

Please DO NOT ask to have your student wait in the office for pickup. If you must pick up your student before the end of the day, when you arrive, we will call your student to the office for you to sign him/her out. We will make our best effort to ensure they are ready to go as quickly as possible.

If your child must be picked up after 2:45 pm, our students must exit the building during dismissal and be escorted back into the building at 2:45 pm by Administration. If you or anyone pick your student up after 2:45 pm you **MUST** sign them out.

We are at the mid-point of our school year, and our students took mid-year assessments in both math and reading. Teachers use the results of these tests to look for student growth, determine where students are in the curriculum, and what areas need to be addressed more closely. The results of these tests were shared with you during interim pick-up. If you did not get the results, please ask for them during the next **interim pick-up on Thursday, February 27 from 2:45pm to 6:45 pm.**

Attendance is important for educational and future success. Thank you for calling the school when your child is going to be absent or tardy. I can't stress enough how helpful it is to the office when you call.

Remember, we will stay inside if the temperature is **below 20 degrees (wind chill included) or if the playground is icy.** We will try to go outside for recess most days, therefore, boots, gloves and hats are needed to keep warm.

I want to thank all the parents who are reading with their student for at least fifteen minutes nightly! If your student is not yet reading nightly, please continue to encourage them, so that they too may receive the next round of treats offered in the Robinson Reading Program. Remember students are asked to obtain one signature a night. Reading is the key to success for all of our students. With the hard work going on here at Robinson, and at your home, academic success is just around the corner for each of our students.

Finally, we have many excellent teachers at Robinson, and this year's Teacher of the Year Award goes to the well deserving **Mrs. Gaeckle.** Congratulations!

Sincerely,

Anthony S. Lane
Principal

A Note from the Dean of Students:

Why Attendance Matters!

Attendance is more critical than you may think. Research has shown that students who miss just three days of school prior to a major test will score 12 points below their peers on reading tests. This is the equivalent of more than an entire grade level! In math assessments, this can be even more dramatic, showing an 18 point drop. This is nearly two grade levels.

Projecting out, if a student misses just three days a month, which is 27 days a school year which is 15%! Imagining only getting 85% of something you paid for...

Long term, students who miss even 10%, just two days a month, during pre-K or Kindergarten can result in struggling to pass the Third Grade Guarantee and becoming skilled readers. These habits translate into perceptions that will last a lifetime and cause job insecurity, lower graduation probability and even hurt relationships.

Please make every effort to get your child(ren) to school on time, daily. It really matters.

PARENT VISITATION PROCESS

The school is open to you. If you would like to visit, please call (330) 761-2785 and an appointment will be set up for you to visit.

Please enter the building at the main entrance off the parking lot – Door #1. For security reasons all **visitors must sign-in in the main office**. You will also need to *sign out when you leave*. Thank you for your cooperation with this procedure.

When visiting classes, we ask that you take a seat in the rear of the room and remain seated the entire period. Not only will this afford you observation of the entire class, but the students will be less distracted by your presence. You will get an accurate picture of the classroom in session.

Please keep in mind that you are an observer, and we ask that you simply watch what is going on and not participate nor interact with the students unless invited by the teacher.

Please do not use your cell phone while in the building. It could become a distraction to the students.

WHEN YOU ARE FINISHED WITH YOUR VISIT, PLEASE REPORT BACK TO THE MAIN OFFICE.

Complaint Procedure

It is the desire of the district to rectify any misunderstandings between the public and the District by the direct discussion of an informal, timely manner among the interested parties. The District's procedure resolving any oral or written misunderstandings or complaints from parents and/or stakeholders concerned with the appropriate delivery of service to children is simple and straightforward. All complainants should first contact the children's teacher, if applicable, to attempt to resolve any issues. ***If not resolved, the appropriate procedure is to contact the Building Principal, Mr. Anthony S. Lane or Dean of Students, Mr. Joseph A. Bomba @ 330-761-2785.*** In most cases, problems can be quickly resolved at the building level. If not resolved at the building, contact the Executive Director at 330-761-3076 [General Provisions Regulations, at 34 CFR Sections 299, 10-299, 12.]

I'd like to introduce you all to our Financial Coach Nicole Chavers,

Hello Robinson Families! My name is Nicole and I am one of the financial coaches at the Akron Financial Empowerment Center (FEC) in Kenmore. In addition to the free financial coaching, at the FEC we offer free tax preparation services which could save you upward of \$200+ dollars, as well as assistance connecting to low fee, second chance bank accounts. The FEC is a partnership with the City of Akron and United Way of Summit County, giving rights to our residents to have access to free assistance to helping to achieve financial goals. On Mondays, I am here at Robinson from 8:30-3:30, conducting scheduled coaching appointments for families in the area.

Financial coaching looks different for everyone but our primary goal to ensure you have a workable budget, resources to help manage daily finances and financial dreams. How do you know if you could benefit from free financial coaching? A few questions to consider: Do you sometimes not have money left over at the end of the month? Are you getting bank fees that affect your ability to pay bills? Are you receiving collection calls or letters? If so, then you could benefit from trying the coaching services. We've worked with numerous clients to negotiate debts, negotiate student loan payments, develop workable budgets, get into bank accounts that work for them and increase savings. I would be happy to help you or answer any questions you may have.

To schedule a coaching appointment, call 211, or use the link below:
