

# THE EAGLE'S NEST

## Message from the Principal

---

Dear Robinson Family,

The students, teachers and parents have worked hard all year. Even with winter still here, Mother Nature is warming her days and saying to them: “Don’t worry about homework now. Come out and play.” There’s bike riding, basketball, and hanging out with friends, all very tempting. We all love spring, and we, too, want to get out of the house, but we have to all guard against our “spring fever.” Finally, we will continue to challenge, encourage and teach your children. And, we are asking you, as your child’s role model and parent, to please continue to reinforce the importance of education in this last quarter.

***Attendance is important for educational and future success.*** Thank you for calling the school when your child is going to be absent or tardy. I can’t stress how important it is for your child’s safety when you call the office first thing in the morning. When students are absent, late, or leave early, their academic success is put at risk.

I want to thank all the parents who are reading with their child for at least **fifteen minutes nightly!** If your child is not yet reading nightly, please continue to encourage them so that they may gain a love for reading, along with receiving the next treats offered in the Robinson Reading Program.

Finally, **April 10<sup>th</sup>, is Good Friday (School and Office Closed); April 13<sup>th</sup>, students begin SPRING BREAK,** I hope that students as well as their families, enjoy this short relaxing time. Students return for classes on Monday, April 20<sup>th</sup>.

Sincerely,

Anthony S. Lane  
Principal

# A Note from the Dean of Students:

With spring around the corner, tempers flare and patience gets thin. It helps to remind your child that they need to not get into the little back and forth arguments that tend to creep up as the weather warms. We frequently see what starts out as good natured teasing turn into someone taking it “too serious.” When playing football or basketball during recess, the “**trash talk**” can get students quite upset. Simply watching their words and their tone can make all the difference. Please discuss with your child the importance of not “**play fighting**” as well. It may well save many an argument with their friends and may even *save their friendships*.

Mr. Joseph Bomba  
Dean of Students

3. Free breakfast and lunch are provided for students daily. Please remember that students should not arrive before 7:50 a.m.

5. Students are not permitted to walk through the parking lot alone. Parents may walk over to meet their student or pull his or her car up to the sidewalk after the buses leave. This will help maintain the safety of our students.

## **PARENT VISITATION PROCESS**

The school is open to you. If you would like to visit, please call (330) 761-2785 and an appointment will be set up for you to visit.

Please enter the building at the main entrance off the parking lot – Door #1. For security reasons all **visitors must sign-in in the main office**. You will also need to **sign out when you leave**. Thank you for your cooperation with this procedure.

When visiting classes, we ask that you take a seat in the rear of the room and remain seated the entire period. Not only will this afford you observation of the entire class, but the students will be less distracted by your presence. You will get an accurate picture of the classroom in session.

Please keep in mind that you are an observer, and we ask that you simply watch what is going on and not participate nor interact with the students unless invited by the teacher.

Please do not use your cell phone while in the building. It could become a distraction to the students.

**WHEN YOU ARE FINISHED WITH YOUR VISIT, PLEASE REPORT BACK TO THE MAIN OFFICE.**

### **Complaint Procedure**

It is the desire of the district to rectify any misunderstandings between the public and the District by the direct discussion of an informal, timely manner among the interested parties. The District's procedure resolving any oral or written misunderstandings or complaints from parents and/or stakeholders concerned with the appropriate delivery of service to children is simple and straightforward. All complainants should first contact the children's teacher, if applicable, to attempt to resolve any issues. ***If not resolved, the appropriate procedure is to contact the Building Principal, Mr. Anthony S. Lane or Dean of Students, Mr. Joseph A. Bomba @ 330-761-2785.*** In most cases, problems can be quickly resolved at the building level. If not resolved at the building, contact the Executive Director at 330-761-3076 [General Provisions Regulations, at 34 CFR Sections 299, 10-299, 12.]
