Feasibility Study Progress:

Work is underway on the Binghamton City School District's ongoing Facilities Feasibility Study. The community focus group held its first meeting on Thursday, Nov. 18, where they learned about the current program vision and the building conditions survey findings. The group will meet four more times between now and through January to review data regarding pupil capacity and enrollment projections, and ultimately consider scenario options for the future of our school facilities. We appreciate the dedication of the community members who applied to be a part of this group, and we look forward to sharing our progress with you in the weeks ahead. For more information on the feasibility study, please visit our [website](#).

Elementary Early Dismissal:

All elementary buildings will have an early dismissal of 10:50 a.m. on Tuesday, Nov. 30 due to parent teacher conferences. If you have not yet scheduled a conference, please contact your child's teacher.

First Quarter Report Cards:

First quarter report cards are now available for middle and high school students on Parent Portal. They will also be mailed home. Please note that elementary school students operate on a trimester schedule, and do not yet have report cards available for viewing.

*Educating, empowering, and challenging all students to become
productive, global citizens through innovative approaches to learning.*
