P-EBT Benefits for BCSD Families:

Children who receive free school lunches through the National School Lunch Program are eligible for P-EBT food benefits. These temporary food benefits are being provided to help cover the cost of meals children would have otherwise received at school during the 2020-21 academic year.

During the 2020-2021 school year, the Binghamton City School District was operating with reduced in-person attendance due to COVID-19 therefore all students would potentially qualify. The degree to which a student qualifies depends on the mode of instruction they participated in last year.

If you have not yet received this benefit and are interested, you may call the P-EBT Food Benefits Helpline: **1-833-452-0096** or visit: [P-EBT Information Form](#) to submit a question in writing.

Educating, empowering, and challenging all students to become productive, global citizens through innovative approaches to learning.
