We are writing with an update regarding the police investigation regarding an incident on Main Street late Thursday morning. Police apprehended the suspected shooter, who was not a student at Binghamton High School, this afternoon. We are grateful for their quick action, and we are proud of the way our students and employees responded to what was a very difficult situation for all.

Further, we are pleased to share that the victim of the shooting has been upgraded to good condition. We wish this individual a smooth, speedy recovery.

There will be an increased police presence at the high school Friday morning. We will also offer counseling for students and staff at the high school during the school day. Students should reach out to their teachers if they are in need of support.

Safety is at the top of our minds and priority list this school year. To prevent incidents like this one, we need the support of our entire community. In addition to a comfortable and welcoming academic environment, our students deserve a safe, positive city to grow up in. We will continue working each day to make Binghamton High School the best and strongest school it can be.

Educating, empowering and challenging all students to become productive, global citizens through innovative approaches to learning.
