January 19, 2022

In light of the high number of COVID-19 cases in our community, the Binghamton City School District will continue to limit spectators at sporting events, as is being done by most of our neighboring school districts. However, we will be increasing the number of spectators for home games from two to four family members or other adults per student athlete. We want to be clear that we are not limiting spectators due to student behavior, or other safety concerns, but due to the ongoing pandemic. Visiting spectators will continue to be limited to two family members per student athlete.

In addition, JV and Varsity players are permitted to attend each other's games. We will reevaluate the need to limit spectators every two weeks, with the hopes of increasing the number of fans allowed when there has been a clear downward trend in the number of local COVID cases. We are committed to providing virtual access to our sporting events whenever possible, and many of them can be LIVE streamed via our [BCSD Athletics YouTube Channel](#). Thank you for your patience and support of our student athletes.

*Educating, empowering, and challenging all students to become
productive, global citizens through innovative approaches to learning.*
