April 26, 2022

As COVID-19 cases increase in Broome County, our commitment to promoting a safe and healthy school environment remains strong, and we encourage our students and employees to take appropriate precautions to mitigate the spread of the virus. Many students and faculty continue to choose to wear masks and they remain welcomed. In our buildings, please continue to social distance when possible, and stay home if you are experiencing any symptoms of COVID-19 or other illness. Thank you for your continued support.

Educating, empowering, and challenging all students to become productive, global citizens through innovative approaches to learning.
