May 3, 2022

Dear Binghamton Families,

This spring, the Binghamton City School District will embark on the exciting journey of determining what the future looks like for BCSD over the next five years through our strategic planning process. We're happy and hopeful as we look toward the future to consider how we can best support the success of our students.

Part of the strategic planning process is to evaluate what is working well, what areas we'd like to improve and get input from our stakeholders on the work the school district is currently doing. We couldn't do what we do without our students, families, and employees, and we are so grateful for your partnership. In that spirit, I am writing to ask for your help. We need your input so that we can make the best possible decisions for the future of our district.

Please participate in a ThoughtExchange and share what you think we are doing well, what we can improve on and what you think we should be considering for the future. Our plans will be based on your feedback. Please share your thoughts by clicking on this link:

<https://tejoin.com/scroll/501669613>

You can add thoughts, see what other community members are thinking and rate each other's feedback. All of this is done anonymously, and we encourage you to check back often to keep the conversation going. The exchange will be open until May 26.

Thank you for your participation and support.

With Patriot Pride,

Dr. Tonia Thompson
Superintendent of Schools

*Educating, empowering, and challenging all students to become
productive, global citizens through innovative approaches to learning.*
