May 19, 2022

On behalf of the Binghamton City School District's students, faculty and staff, administration, and Board of Education, I would like to extend our sincere thanks to all who participated in Tuesday's vote on the 2022-2023 school budget and Board of Education candidate.

This year, 635 voters came out to the polls, and the budget passed by a 74 percent majority. The final results can be viewed [here](#). The repair reserve proposition also passed. Congratulations to Liza Beautz Turner who will be joining the school board July 1 for a five-year term. This is a vitally important leadership role, and we appreciate her care and commitment to our school community.

We are grateful to our community for the on-going support. The budget, in conjunction with the one-time federal stimulus funding, will support the shared commitment to help each and every one of our students to achieve success – today, tomorrow, at graduation, and in the years that follow as we rebuild following the pandemic. We're confident this budget will provide us the resources to help our students thrive academically, socially, and emotionally, and will help us move the district forward.

Thank you for your continued support of our students and schools.

With Patriot Pride,

Dr. Tonia Thompson
Superintendent of Schools
