

Binghamton High School

Online Learning Program- Edgenuity

Welcome to online learning through Edgenuity. You will have a full schedule of online classes to complete with the help of your teachers. You can communicate through your school email account, and login information will be listed below for your email and Edgenuity account.

School Email Account:

- Go to www.Binghamtonschools.org
- Click on For Students
- Click on myapps
- Sign in with your password
- Click on Binghamton Office 365 Mail

Edgenuity Login Information:

- Go to www.edgenuity.com
- Click the yellow “login” button at the top
- Click the blue “student login” button
- Enter your school email as the username then click “forgot password”
- Log into your school email to find the link to change your password and follow the directions. Make sure you write it down.

Edgenuity Password: _____

- Go back to the student login page and enter your school email address and your new password.
- Once logged in you will see your personal homepage with all of your classes, but before you click into any class you will need to watch the student orientation video. This video will explain how the Online Learning platform works. If you have any questions you can email your teacher for assistance.
