Dear Ramos Elementary School Families,

We are so excited to be welcoming our families back for the 2022-23 school year at Luis A. Ramos Elementary School and I am incredibly humble and thankful to be joining you all as your new Principal this year! We all look forward to getting to know all of our families and forging relationships that will support and push our students. We are committed to creating an environment that is safe, engaging, and **most importantly** focused on the growth of all our students. All of this starts with strong communication, so please review the following opportunities to start connecting with us:

1. Connect with your teacher on ClassDojo at "Luis A Ramos Elementary School". All classrooms are using this platform for communication.
2. Update your contact information with the office. Emails and updated phone numbers are vital for whole-school messages.
3. Follow us @ASDRamos on Facebook, Instagram and Twitter.
4. The school website <https://lar.allentownsd.org/> and district website [www.allentownsd.org](http://www.allentownsd.org) are a wealth of information and resources.
5. Connect through the Ramos Community Portal in order to watch your student's progress in academic subjects. Login information will be sent home the first week of school.

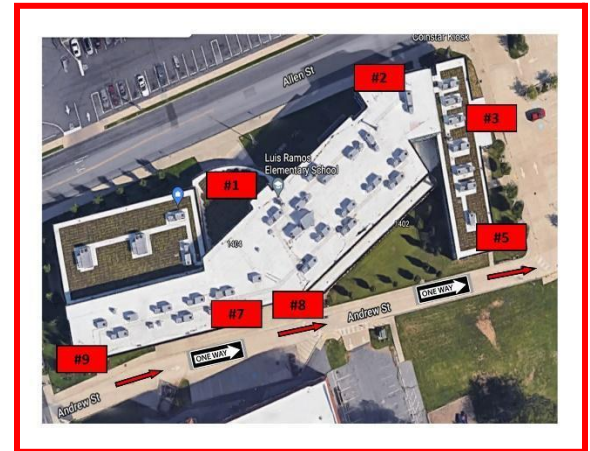

At Ramos, We will set high academic expectations for all students and will focus on providing each student with individualized instruction needed for them to reach their academic goals. At Ramos, we honor character, academic achievement, and growth. We as a team are fully committed to growing every student to their fullest potential.
