

All athletic forms and pre-participation documents must be submitted and approved on the BigTeams website (formerly PlanetHS), **PRIOR** to a student participating in any try-outs, workouts, or practices.

**\*\*\*Physical forms must be dated April 1 or later.\*\*\***

The digital platform will allow you, and your student(s), to complete and access athletic forms via computer, tablet, or mobile phone. It is HIPPA, COPPA, and FERPA compliant.

If you have previously created an account on PlanetHS or BigTeams, you do not need to create another account. Simply use the same login credentials and begin the pre-participation process at step six.

Both **parent and student-athlete must create accounts** using different emails and/or phone numbers. Student account profile information should be entered as presented on the birth certificate. Completion of these forms are required. This will enable you/your student to participate in team activities.
