

RaiseRight Mobile App

Our RaiseRight Mobile App allows you the benefit to order eGift cards through your mobile device. These near instantaneous eGift cards will allow you buy gifts cards while in the store (even during checkout) and will appear in your digital wallet. You can also order physical gift cards that can be sent “to the coordinators” that can either be picked up during our cash and carry hours or we will send them home with the oldest child on Friday’s (as long as that Friday is a school day, if not it will be sent home on the next available school day).

How do I sign up?

Please send an e-mail to jayheidemann@gmail.com and Jay will send you an invite from RaiseRight that will walk you through the process.

One note of importance - Please make sure you sign up by following the link in the email as it is linked to our specific account/enrollment code. Also, please provide your TRIP ID in the Classroom/Group entry field so we can provide you with the credits that are earned. Remember, your TRIP ID is the first letter of your last name and the last 4 digits of your phone number. Please do not give out the enrollment code to any family members or friends. We will send e-mail invitations to them directly.

Any questions, please feel free to reach out to Mary or Jay.

Payment Options

You must link a bank account and/or credit card in order to buy gift cards through the app. We can not accept any online orders where the payment option is “Pay Coordinator Directly”. There is a 15-cent transaction fee for all orders placed using your bank account and a 2.6% fee applied to all Credit Card Orders. These fees are instituted by the Provider (RaiseRight) and we cannot waive any fees associated with it.

Earned Credit

The credits earned through the mobile app is a 50-50 split between the School Family and St. Catherine’s TRIP Program, just like the Physical Gift Card program. The percentage amount you see when purchasing is before the split (Example Mariano’s 4% would be a 2% split between you and the school). The split ensures that the TRIP program can pay all costs associated to run the program. We are a non-profit program with all profits going to St. Catherine’s. Please do not refer to the My Earnings page to see what you have earned. There is no way for us to show the split and it does not line up with our earning period.

If there is a Special being run for a particular store, you will get the bonus again with a 50-50 split on all eGift card purchases and physical gift card purchases through the App. We can not honor bonus buys through Cash and Carry since our inventory is bought and held during non-bonus time periods.
