

Welcome to 7th Grade

Trail Blazers & Path Finders

Welcome to 7th grade! We hope you are enjoying your summer and are looking forward to returning to school to join our grade. As with every new school year, you will find some changes - new procedures, new teachers to learn from, and a brand new schedule.

RESPECT & RESPONSIBILITY

We expect your actions to reflect respect and responsibility every day. Each of your teachers expects you to respect your peers, your teacher, all adults in the building, your school, and yourself. 7th grade is a time where you will be expected to show greater responsibility. The following information will be helpful for you to be responsible as you start your 7th-grade year:

HOMEWORK ASSIGNMENTS

1. Always write down your homework either in a planner or on your Chromebook and check it at night.
2. You can also click on the homework link on our TEAM web pages to double-check homework assignments.

ABSENCES

Completion of make-up work is **YOUR** responsibility. You may email your teacher for missed work on the day of your absence, or talk to each of your teachers about what you missed when you return. You are expected to follow along in Google Classroom and/or your team's Homework Page when you are absent. You will have approximately one week to make up the work unless the absence was extended.

BOOKS AND SUPPLIES

All students are required to bring the following supplies to class each day:

- 1-1½ inch 3-ring binder for organizational purposes - **optional**
- 3 - single-subject notebooks for **science, math, ELA**
- 1 ultra-thin black Sharpie
