

More Information

Summer school explorations in the Black River Falls School District are an excellent opportunity for elementary students to explore new themes. More importantly though, it will be a chance for students to strengthen their reading, writing, math and physical fitness while having fun.

Who should attend?

ALL STUDENTS Grades K-5

We will offer remediation for students that need it as well as challenge ALL students to reach new heights.

REGISTRATION:

All you need to do is complete a summer school registration form. This will provide us with the information we need.

REGISTRATION FORMS should be RETURNED to your building secretary by APRIL 28, 2021 so we can make all of the final arrangements.

TIME:

Students may be dropped off starting at 7:30am (please no earlier as there will not be supervision). Classes will start at 7:45am. Dismissal will be at 12:15pm.

Location:

Summer school will be held at Red Creek Elementary school.

Meals:

Breakfast & lunch will be provided to all students free of charge.

Please return this portion to your building secretary by APRIL 28, 2021

Summer Explorations

Children in the Black River Falls School District in grades K-5 will have the opportunity to participate in a new and exciting learning adventures this summer.

Under the Sea

June 14th- June 22nd

Have you ever wondered how big an ocean really is? Join us for 7 days of "Under the Sea" fun! Our ocean theme will incorporate math, reading, writing, and physical fitness. Students will be engaged in hands-on learning and activities. There will be nothing fishy about this summer school theme! You won't need your scuba gear, but you will need to wear your mask!

Mindfulness

June 23-July 1

With the hustle and bustle of today's fast paced world, it is more important than ever to take the time to be mindful. Being mindful means being fully conscious and aware of the present. During this summer session, we will combine math, reading and physical education lessons with mindfulness techniques such as deep breathing, guided relaxation, and stretching. Join us for what will be a very rewarding journey into knowledge and mindfulness!
