Grade 9-12 Credit Recovery

Session 2—July 21 to August 5, 2022

Grade 10 (0.5 new credit) Careers
Grade 9-12 Credit Recovery

July 5 to August 4, 2022

Grade 9 to 12 New Credit

- **Credit Recovery Courses:** For students who received 40% or higher, but did not earn a credit (limit of two credit recovery courses per summer).
 - **New Credit Courses:** For students who have not previously taken the course, who earned a mark less than 40%, or who wish to improve their mark.
 - **Co-operative Education Courses:** Co-operative education (co-op) courses allow students to gain valuable work experience while earning a secondary school credit.
 - **Online Learning for Grades 11 and 12, Grade 10 OLC and optional courses for Grade 9 and 10:** Online learning in the Virtual Learning Environment (VLE) allows students to study from the comfort of home, outside of regular school hours, and allows students to maintain summer employment, and earn academic credit. Reliable internet connection and technology
- Flexible options for summer learning • More flexibility in timetable during the school year**
