FITNESS CENTER

**Hometown:** Stuart, IA

**Employed Since:** January 2020

**How I got connected with the SMFC:** I have been a member of the Track since it opened, but after retiring from my career in healthcare, I was looking for a fun part-time job. Sandy called me and told me about the opening at the Fitness Center, and I applied immediately. Luckily, I got the job!

**When I'm not at the Fitness Center, I spend my time...** with my husband, three children and their spouses, and our seven delightful grandchildren. I babysit for them on a regular basis and had the pleasure of helping them with virtual learning this school year. I also very much enjoy antiquing, rummaging, and an occasional "dumpster dive", then upcycling and repurposing my finds.

**Biggest Dislikes or pet peeves:** Injustice.
