

SANDY G.

FITNESS CENTER

Hometown: Milwaukee, WI

Employed Since: June 2017

How I got connected with the SMFC: A friend told me about the walking track. When I saw the Fitness Center, I knew I had to join. It's the best thing I could have done. I inquired about part-time work, got a phone interview, and was hired on the spot.

When I'm not at the SMFC, I spend my time... Walking outdoors, gardening, arts & crafts, rummaging, and going to antique shops & flea markets.

Biggest dislikes or pet peeves: Impatience. Disrespect. Please wear your mask; I don't want to ask you more than once.
